

# **18<sup>th</sup> Erlangen Irish Set Dance Weekend Feb 2020**

**Dear Dancers**

**The 18th Erlangen Irish Set Dance Weekend is approaching 21-23 February 2020!**

**Our Redoutensaal is one of the most beautiful venues in the Setdancing scene, spacious, comfortable, newly fitted sound system, perfect air-condition and in the very heart of old town Erlangen with shopping mall, restaurants, pubs and hotels all in walking distance!**

**Tutor Pat Murphy and Abbey Ceili Band speak for themselves!**

**All around the clock entertainment is waiting for you! If you arrive already on Thursday you can join us in the evening for a meal in one of Erlangens traditional restaurants and maybe a few sets afterwards in my local Irish Pub where we dance our weekly classes.**

**Friday is ideal for sightseeing in Erlangen or historical Nuremberg or Bamberg, only a short train ride away.**

**From Friday night on, all roads lead to the venue Redoutensaal where mighty craic is waiting for you!**

**For the „one and only“ Carnival Ceili in the world on Saturday night, please feel free (but no pressure) to dress up in the spirit of German carnival, this year's motto is „Welcome to Hollywood“.**

**Enjoy the After Ceili's sessions in the Pub „Kulisse“ (just across the road) with live music, dancing and craic until early morning hours.**

**An absolute ‚must do‘ is the final, signature Sunday night in 'The Brewery' only 5 walking minutes away from the venue! Pat and the Abbey will join us that night, no need to mention the fun we will have ;)))!**

**Our weekend is family-run since 18 years, please contact Andrea for anything you need to know regarding flights, hotel etc**

**There is no need to pre-register, just come and enjoy (if you let me know in advance, you are most welcome to do so). There is also no pre-payment, just pay on arrival.**

**Hope to welcome you in Erlangen 2020!  
Andrea and family**
